Multi-activity baby walker

This colourful walker encourages motor skills and accompanies your child as he takes his first steps.

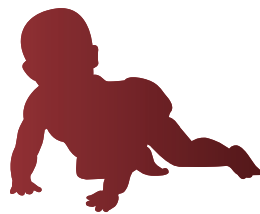

With it, baby will discover the joys of walking and manipulative games thanks to its 8 activities: mirror, gears, xylophone, abacus, shape box, maze, pivoting pucks, dial to turn.

Additional information

- Silent wheels protected by rubber.
- 8 activities: shape box, spinning pucks, gears, mirror, spinning dial, abacus, maze, xylophone with 6 metal bars.
- Accessories included: 3 wooden geometric shapes, 1 wooden stick and 1 polyester net.
- 2 wheels with plastic clamping screws to limit wheel speed.
- From 12 months.
- Delivered as a do-it-yourself kit.
